LTD Deductions

Year-end is approaching, please review your pay statement and ensure your information is correct. To update, visit CPKC's Employee Station, using the "Personal Information" tile.

If you notice you are paying the premium for the wrong craft, please contact the LTD Account Manager, Laura Barlett. Laura will provide you with directions as per Employee Services, Position Action Notification process. All position action notification requests must come directly from your Manager to Employee Services.

CTY & LE Website

Please note the CTY and LE websites are under construction. We are currently in the process of combining both crafts in one website. Further details to come.

You can contact Laura at the details provided below:
